ABOUT US

Founded in **1981** as **Globe Agency** by the late **Wong Vun Boh**, our company began with a clear vision of providing dependable and professional shipping agency services to support the growing maritime industry in Sabah. Through dedication, integrity, and a customer-first approach, Globe Agency earned the trust of ship owners, charterers, traders, importers, and exporters, establishing a strong reputation for reliability and operational excellence.

Building upon more than two decades of experience and continuous growth, the company was officially incorporated as **GLOBE BM SDN BHD** in 2005. This marked an important milestone in our journey, allowing us to expand our capabilities beyond traditional shipping agency services into vessel chartering, logistics, customs facilitation, cargo handling, and trading, while maintaining the same commitment to quality service that has defined our business since its inception.

Today, with over four decades of experience in the maritime and logistics industry, **GLOBE BM SDN BHD** continues to serve customers across local and international markets with professionalism, efficiency, and reliability. Headquartered in Sandakan, Sabah, Malaysia, and supported by appointed partner offices in **Kota Kinabalu, Tawau, and Lahad Datu**, we have built a strong network capable of supporting global shipping operations and connecting businesses with markets around the world.

The legacy established by our founder continues to guide our business today. By combining decades of industry knowledge with responsive customer service and practical logistics solutions, we remain committed to building lasting partnerships and supporting the continued growth of international trade.

“We follow through – so you don't have to worry”

A MESSAGE FROM THE CHAIRMAN

Simon T M Wong

Chairman

GLOBE BM SDN BHD

For more than four decades, our company has been built on a foundation of trust, integrity, and dedication to serving the maritime industry. From its humble beginnings as **Globe Agency**, founded in **1981** by the late **Mr. Wong Vun Boh**, we have remained committed to the values and principles that established our reputation as a reliable shipping and logistics partner.

It was my privilege to work alongside the late Mr. Wong Vun Boh and witness firsthand his vision, leadership, and unwavering commitment to excellence. Following his legacy, I have continued to uphold those same values while guiding **GLOBE BM SDN BHD** through its continued growth and development. Today, we remain dedicated to providing professional shipping agency, chartering, logistics, and trading services with the same passion and commitment that have defined our company since its inception.

Our greatest strength has always been our people, our long-standing relationships with customers and partners, and our determination to deliver dependable solutions in an ever-evolving maritime industry. As global trade continues to grow, we will continue to embrace new opportunities while preserving the experience, reliability, and personalized service that our customers have come to expect.

On behalf of everyone at **GLOBE BM SDN BHD**, I would like to express my sincere appreciation to our customers, principals, business partners, and employees for their continued trust and support. We look forward to strengthening existing partnerships and building new relationships as we continue serving the maritime industry for many years to come.

Thank you.

GLOBE BM SDN. BHD.

GLOBE BM SDN. BHD.

STEVEDORING & OPERATIONS

At GLOBE BM SDN BHD, our stevedoring services are built on the dedication, experience, and professionalism of our workforce. Our team of loyal and skilled laborers has been an integral part of our operations for many years, providing efficient cargo loading, unloading, lashing, and handling services for a wide range of cargoes. Their expertise and commitment ensure that every operation is carried out safely, efficiently, and in accordance with the highest operational standards.

Working closely with our operations team, our stevedores support the handling of break bulk, bulk commodities, timber, steel products, fertilizers, machinery, and other specialized cargoes. Through teamwork, careful planning, and a strong focus on safety, they help ensure smooth vessel turnaround and reliable service for our customers.

The photographs featured on this page represent the dedicated individuals behind our stevedoring operations. Their years of experience, strong work ethic, and unwavering commitment to excellence continue to be the foundation of GLOBE BM SDN BHD's reputation as a trusted maritime and logistics partner. We take pride not only in the services we provide, but also in the people who make those services possible every day.

STEVEDORING & OPERATIONS THROUGH THE YEARS

STORAGE & INVENTORY MANAGEMENT

GLOBE BM SDN BHD provides reliable storage and inventory management solutions to support the efficient handling and movement of cargo throughout the supply chain. With experience managing various types of commodities, our team ensures that goods are properly received, stored, monitored, and prepared for onward transportation or distribution. Through careful organization, accurate inventory control, and responsible cargo handling, we help customers maintain smooth operations while ensuring their cargo remains secure and well-managed throughout the storage process.

OPERATIONAL HIGHLIGHT - 1998

INTERNATIONAL EXPORT MILESTONE

One of GLOBE BM SDN BHD's most significant export operations took place in **1998**, involving the shipment of **plywood from Sandakan, Sabah, Malaysia to the United States**. The operation utilized a large ocean-going vessel with a maximum **cargo capacity of 60,000 m³**, with approximately **20,000 m³ of plywood successfully loaded at Sandakan Port**. Through meticulous planning, efficient stevedoring, and close coordination among all parties, the loading operation was completed safely and efficiently. This milestone reflects our long-standing expertise in managing large-scale export shipments and our capability to support complex international maritime operations.

As part of the export operation, GLOBE BM SDN BHD organised the barging of plywood cargo from the manufacturing factory to alongside the vessel at Sandakan Port for loading. This critical stage of the operation required precise planning and close coordination to ensure the continuous and efficient transfer of cargo from barge to vessel. The successful execution of this process further reflects our expertise in managing large-scale export logistics and our ability to handle complex maritime operations from origin to final shipment.

OPERATIONAL HIGHLIGHT - 1998

INTERNATIONAL EXPORT MILESTONE

Continuing the 1998 flagship plywood export operation, this stage involved the transfer of plywood cargo from barges directly into the vessel's cargo holds through the open hatch. Our experienced stevedoring team carefully coordinated the lifting, positioning, and stowage of the cargo to ensure proper handling throughout the loading process. The operation required close attention to vessel requirements, cargo arrangement, and safety procedures, showcasing GLOBE BM SDN BHD's capability in executing complex break bulk cargo movements for international export shipments.

OPERATIONAL HIGHLIGHT - 2019

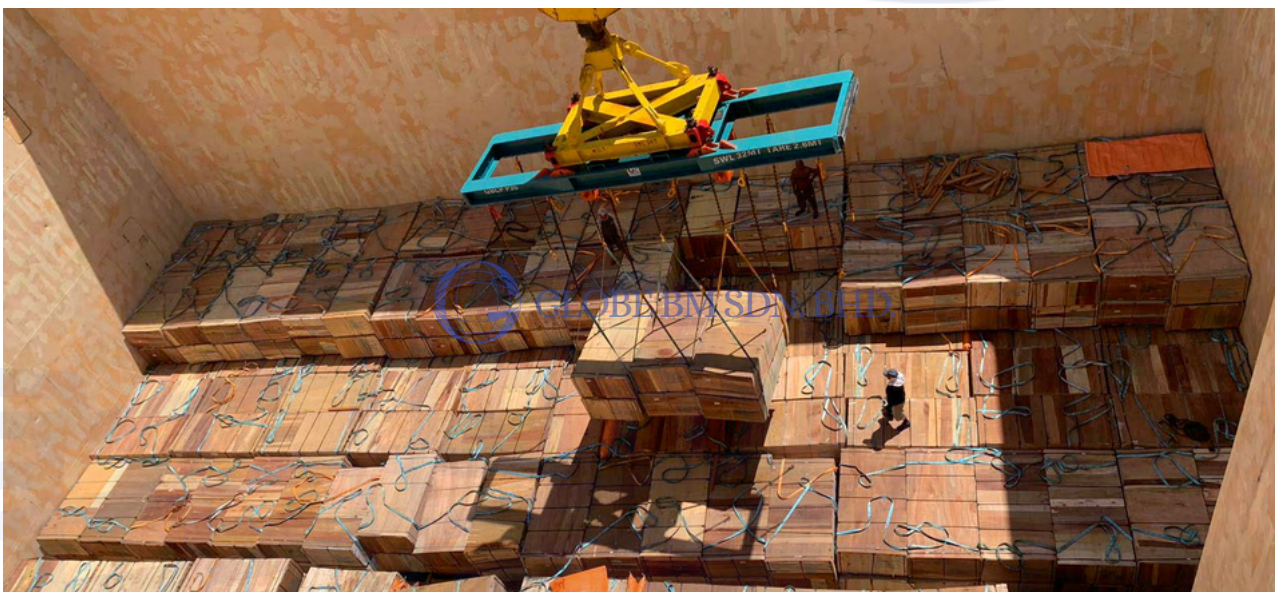

PLYWOOD CARGO OPERATION

This operation highlights GLOBE BM SDN BHD's successful coordination of a plywood export shipment from **Sandakan, Sabah, Malaysia to Egypt**. Our team managed the loading of plywood from barge to the ocean-going vessel, ensuring efficient cargo handling, proper coordination, and smooth vessel operations throughout the export process. This project reflects our expertise in handling timber and wood product exports while delivering reliable shipping and logistics solutions for international markets.

OPERATIONAL HIGHLIGHT - 2019

PLYWOOD CARGO OPERATION

OPERATIONAL HIGHLIGHT - 2021

MACHINERY/STEEL PRODUCTS OPERATION

This operation highlights GLOBE BM SDN BHD's successful coordination of a steel products and machinery shipment from **China to Kota Kinabalu Port, Sabah, Malaysia**. Our team managed the shipment with close attention to cargo handling, vessel coordination, and port operations, ensuring the safe and timely delivery of the cargo. This project demonstrates our capability in handling international industrial cargo movements and our commitment to providing reliable shipping and logistics solutions across global trade routes.

OPERATIONAL HIGHLIGHT - 2021

MACHINERY/STEEL PRODUCTS OPERATION

OPERATIONAL HIGHLIGHT - 2022

POWER GENERATOR TRANSPORTATION

GLOBE BM SDN BHD assisted in the transportation of a large power generator for **Sabah Electricity Sdn. Bhd. (SESB) at Sandakan Port, Sabah, Malaysia.** Following the successful discharge from the vessel, the generator was carefully transported from the port to its designated destination using **a hydraulic modular trailer**, ensuring safe handling of the oversized cargo throughout the journey.

This operation required detailed route planning, specialized transport equipment, and close coordination between all parties involved to ensure the generator was delivered safely and efficiently. The **successful movement of this heavy-lift cargo** highlights our capability in managing oversized and project cargo logistics, providing dependable transport solutions for critical infrastructure projects.

OPERATIONAL HIGHLIGHT - 2022

POWER GENERATOR TRANSPORTATION

OPERATIONAL HIGHLIGHT - 2022

RICE SHIPMENT OPERATION

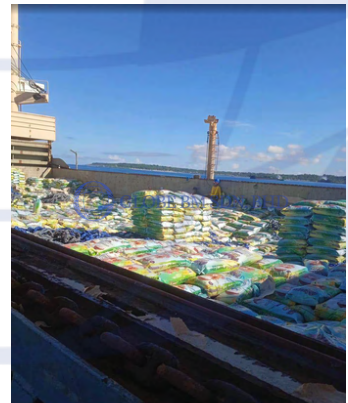

GLOBE BM SDN BHD successfully chartered a vessel for the transportation of **6,000 metric tons of rice** from **Ho Chi Minh City, Vietnam** to **Bataan Port, Philippines**. Our team coordinated the vessel charter, supervised the loading of the cargo, and managed the voyage to ensure the shipment was carried out safely, efficiently, and on schedule. The successful execution of this operation reflects our experience in handling international bulk commodity shipments and our commitment to providing reliable vessel chartering and maritime logistics services.

OPERATIONAL HIGHLIGHT - 2024

RICE SHIPMENT OPERATION

This operation highlights GLOBE BM SDN BHD's successful chartering of a vessel on behalf of the consignee for the transportation of **6,000 metric tons of rice** from **Ho Chi Minh City, Vietnam to Currimao Port, Philippines**. Our team coordinated the vessel charter, supervised the loading of the cargo, and managed the voyage logistics to ensure the shipment was carried out safely, efficiently, and according to schedule. The seamless execution of this shipment highlights our capability in vessel chartering and our commitment to delivering reliable maritime solutions for international bulk commodity transportation.
